

Hiking Trail

Llamas.....the other hummer

Hiking Trail

Our two-mile hiking trail is open seasonally and as weather permits to foot traffic. No motorized vehicle or bicycle traffic is permitted. There is no fee to walk the trail; however, visitors and guests are required to register in and out at the main barn.

The trail can be challenging and you should wear appropriate clothing and footwear suitable for hiking through woodlands and creeks. Be prepared to climb relatively steep slopes.

In addition to the livestock, there is a variety of native plant and animal species to observe and enjoy. We ask that you do not pick or remove wildflowers or disturb habitats and nests of resident wildlife. Stay on the marked trails.

Please keep fido at home. If you make arrangements in advance, we may be able to kennel your pup while you're hiking.

All visitors and guests under the age of 18 must be accompanied by a responsible adult. We are not responsible for personal injury, lost, stolen, or damaged personal property.

Parking is available.
